

15th International AELFE Conference
***Today's and Tomorrow's Challenges in Languages for
Specific Purposes and Translation***

Universidad de Alcalá
Guadalajara, Spain, 23 – 24 June 2016

1st CALL FOR PAPERS

In the context of an increasing specialization in languages and translation due to the increasing number of contexts where specialized languages and translation are needed in the world along with the current internationalization of Higher Education and the effect of technology in education and , it is necessary to revise the role of languages for specific and academic purposes and translation. AELFE 2016 intend to bring together researchers, academics, language professionals with a genuine concern in these areas, along with academics and experts in other fields and languages all over the world.

This conference is aimed at those who are interested in all aspects of research and applications of these fields who might be interested in publishing high quality papers in reputed academic journals and in a special volume of peer-reviewed selected presentations under the seal of the Universidad de Alcalá Publishing.

Confirmed Plenary Speakers:

Ana M. Gimeno (Universitat Politècnica de Valencia, Spain)
MK Jauregi Ondarra (Utrecht University, The Netherlands)
Alex Boulton (Directeur adjoint UFR Lansad, France)

Thematic strands:

1. Discourse Analysis
2. Terminology and Lexicology
3. Translation
4. ICT
5. Didactics and Language Acquisition
6. Cognitive Linguistics and Languages for Specific Purposes

Conference languages: English, French, German, Italian, Spanish.

SUBMISSION OF ABSTRACTS

We invite contributions in the form of **paper presentations** or **posters** on any of the above topics (but not restricted to them). **Please submit your proposal in EN, DE, FR, IT, or ES**, saved as PDF <https://easychair.org/conferences/?conf=aelfe2016>, by **28 January 2016**,

Paper presentations will consist of a 20-minute talk followed by 10 minutes for questions and discussion. Especially welcome will be paper submissions presenting research (either complete or in progress) related to

the conference topics. In addition, they should be interesting and academically of good quality. **Poster abstracts** are particularly welcome if they report on innovative research and/or on projects relevant to at least one of the conference topics. Presenters who want to submit more than proposals can do it in form of posters (two more). A prize to the best poster will be granted at the end of the conference.

The first page of the Proposal should include:

- the title of the paper / poster
- the **Abstract** (300 words)

In addition, please indicate:

- whether it is a proposal for a paper presentation or a poster
- the language of the presentation (EN, FR, DE, IT, RO or ES)
- the thematic strand it would fit best.

Abstracts should include a brief outline of the research/project context and clearly indicate the objectives, method(s) and results. All abstracts will be peer-reviewed by the conference programme committee and **AELFE panel coordinators**.

Participants interested in displaying copies of their work (books, teaching resources) or project materials should contact the organisers at aelfe2016@uah.es
